About Me

Dynamic intelligence and research professional recognized for exceptional contributions in foreign languages and international affairs. Leveraging strong interpersonal communication, teamwork, and problem-solving skills, I named Distinguished Employee of the Year 2023 at the Prime Minister's Office for maintaining high standards of work excellence.

Professional Experience

Prime Minister's Office | Analyst
2021 – Present

Key responsibilities:

- Examining data segments within extensive databases and crafting diverse investigative reports.
- Working as a part of a dynamic team, within a high-pace and time sensitive environment.

ZAP Group | Salesman
2021

Key responsibilities:

- Revitalized sales strategies through innovative open-source intelligence methods, identifying promising sales leads.
- Orchestrated telemarketing campaigns, demonstrating exceptional skills in executing persuasive cold calls to engage business owners effectively.
- Created tailor-made digital marketing packagesdeals for clients.

IDF | Intelligence Analyst
2018 – 2020

Key responsibilities:

- Produced intelligence documents through thorough research and analysis of large datasets.
- Taught a specialized Arabic language and intelligence course to 20 soldiers.
- Developed and utilized information gathering tools based on SQL systems.
- Led and initiated team projects.

Achievements

2022 – 2023 Distinguished Employee for excellent high standard of work.

2016 – 2017 Certificate of Appreciation for contributing to the international affairs regional council Ramat Ha'Negev.
