

Amit Arbel

Employment History

Business Analyst, YS Growth Strategies

2022—Current

- Engaged in diligent business, financial, and marketing analysis for leading companies.
- Developed strategic public policies for a variety of government offices.

Business Analyst, Mirakl, London UK

2022

- Created detailed, data-driven business analyses, business reviews, and executive meetings for global clients.
- Supported the development of internal customer success methodologies.

Israeli Defense Forces

2016 — 2021

Special Operations Officer, Israeli Navy

2019 — 2021

- Led, planned, and implemented a wide range of complex special operation projects.
- Worked directly with high-ranking executives (Brigadier Generals) in situations requiring effective decision-making under pressure.
- **Received the Israeli Navy Commander in Chief Excellence Award 2021.**

Company Commander of War-Room Operators, Israeli Army

2018 — 2019

- Created course curricula and led basic and advanced training of War-Room Operators.
- Proactively implemented new training techniques aimed at providing solutions to the ever-changing battlefield.
- Served as a mentor and an educator to 120 soldiers and officers under my command.

Operations Officer, Israeli Army

2017 — 2018

- Planned intricate operations, combining system-wide view and detail-oriented perspective.
- Commanded over a platoon of War-Room Operators under extreme conditions and intense pressure.

Special-Ops Infantry Instructor, Israeli Army

2016 — 2017

- Instructed and trained soldiers and officers in the field.
- Worked both independently and as a part of a team, to implement innovative approaches and technologies in military affairs.

Education

Bachelor of Arts, Government, Diplomacy, and Strategy

2021 — PRESENT

Reichman University

- Strategy and Decision Management Honors Track.
- Data and Government Honors Program.
- Full-ride scholarship – Heseq Foundation.
- **Dean's List 2022-2023 – average grade 95.76.**
- Participated in a prestigious delegation to Syracuse University.
- Cyber Club, International Diplomacy Club.

Co-Founder of Right-On social initiative

2021 — PRESENT

- Stemming from the challenges I've experienced as a lone soldier, I established and led an initiative that enables lone soldiers to successfully navigate the complex Israeli bureaucracy and maximize their rights take-up.
- **Won 2nd place at an entrepreneurship competition – 10,000 ILS prize.**
