## Experience

### 2022- Present

Nuvei

#### IT Specialist

- Extensive technical support for servers, back-end network systems, and staff management systems such as Active Directory and Azure.
- Expert in onboarding new employees around the world, including creating accounts, configuring laptops, and supervising software installations.
- Proficient in the maintenance and troubleshooting of a wide range of technical equipment, including computers, printers, phones, conference rooms, televisions, and back-office systems, as well as a thorough understanding of IT backend setups such as GPO, Active Directory, and O365.

### 2021-2022

NSO Group

#### GSR Operator

- Operated in a cutting-edge technological environment, ensuring the ongoing protection of worldwide firm assets.
- Coordinated security measures and generated thorough intelligence reports.
- Created pre-flight profiles for employee travel, expertly managing security personnel in routine and emergency scenarios.
- Executed operations for exceptional occurrences in both domestic and foreign settings.

### 2020-2021

Ministry of Defence

#### Operator in Command and Control Center

- Led actions in the Front Command Room during routine and emergency situations.
- Coordination of security services among many agencies, while encouraging cooperation.
- I was elevated to Senior Operator after demonstrating my ability to manage night shifts independently and oversee Hapak Malmab activities.

## Military experience

2017-2019

#### Marine Control Campus in Navy

- Throughout critical maritime operations, demonstrated unyielding operational discipline.
- Displayed remarkable focus and professionalism while actively engaged in continuous duty, which included extended hours in front of crucial operational systems for marine safety and security.
- Within three months, I advanced to the post of Head of the Shift - NCO Marine Control, demonstrating my leadership abilities and agility.
- Led a squad of three female soldiers on duty, effectively managing and directing maritime control activities.
